Wheelit Rugged . . . Versatile Carriers for Schools

Wheelit offers the industry's most complete line, including both folding and non-folding models, some custom-designed for special purposes. They have sturdy, well-reinforced frames with lifetime finish, sound absorbing Formica-top tables, and large steel ball-bearing wheels for easy moving. Ask about new Audio-Graph rear projection unit for showing 35mm slides with taped audio. Brilliant pictures under normal lighting. Floor and compact models.

Folding Wheelit C-402

The Folding Wheelit C-402 above, folds into a car trunk with ample room for supplies and equipment. Unfolded, it will carry heavy loads and locks securely for stationary use as a projection table. The non-folding Model 4102 at left, has special *screen carrier, and serves many transportation purposes, or as a projection table inside the classroom.

Non-Folding Wheelit 4102

*Optional Accessory
